President Barack Obama
The White House

Washington, DC 20500

Dear Mr. President:

On behalf of the Republican Study Committee (RSC), the largest multi-issue caucus in the U. S. House of Representatives, with more than 110 members, I reissue my request for a meeting with you along with leading RSC Members to discuss issues of mutual concern and priorities for our nation, particularly health care.

We remain concerned that you have not yet responded to our numerous requests, as we are merely accepting your blanket invitation for Republicans with health care solutions to discuss them with you at the White House. Have you retracted your invitation—and if so, when and why?

We look forward to getting on your calendar before the end of this month—and surely before any health care legislation is brought to the House floor. Please have your appropriate staff contact RSC Executive Director Paul Teller at paul.teller@mail.house.gov or (202) 226-9718 to work out the details. Thank you.

Sincerely,

Tom Price, M.D.
Chairman, U.S. House Republican Study Committee
